

1kWh solar container outdoor power with solar energy

Overview

Whether you're camping in the woods or at a remote site, this 1kWh portable power station provides reliable energy wherever you go. It powers lights, fans, and small appliances, and charges phones, cameras, and other camping gear. RPS supplies the shipping container, solar, inverter, GEL or LiFePo battery bank, panel mounting, fully framed windows, insulation, door, exterior + interior paint, flooring, overhead lighting, mini-split + more customizations! RPS can customize the Barebones and Move-In Ready options to any design. The Intech Energy Container is a fully autonomous power system developed by Intech to provide electricity in off-grid locations. You can also buy this battery tower as an extension battery, if you already have a Smart Base with at least one unused extension port. Solar energy containers encapsulate cutting-edge technology designed to capture and convert sunlight into usable electricity, particularly in remote or off-grid locations. Comprising solar panels, batteries, inverters, and monitoring systems, these containers offer a self-sustaining power solution. Systems are fitted in new.
