

# Bamaco PV IP55 Outdoor Cabinet High-Efficiency Model Payment

## Overview

---

IP55 rated double bay outdoor telecom cabinets are the ultimate choice for your outdoor racking requirements, which are well suited for power equipment, batteries, telecom gear, all integrated into a robust, economical package. Mini-size decreasing 60% footprint, easing site acquisition pressure and decreasing development cost. In non-high-temperature areas, using independent temperature control method without A/C. AZE's Outdoor Telecommunication Cabinet with Air Conditioner is mainly used for wireless communication base station, including the new generation of 4G system, communication network/network integrated services, access/transmission switching station, emergency communication/transmission. It can provide reliable power supply in the case of a power failure completely in plant or substation.
