

Factory Power Storage Cabinet

- ✓ LIQUID/AIR COOLING
- ✓ INTELLIGENT INTEGRATION
- ✓ PROTECTION IP54/IP55
- ✓ BATTERY /6000 CYCLES

Factory Power Storage Cabinet

Programmable Climatic Cabinet Constant Temperature and Humidity ...

This product mainly provides a temperature and humidity changing environment for scientific research and production units such as aerospace, aviation, petroleum, chemical ...

50L Thermoelectric Storage Cabinet - Holds up to 250 Counts, Constant

Why Choose an Electric Climate-Controlled Cabinet? Delicate collections deserve the right environment. This electric storage cabinet keeps temperature steady between 54-72°F and ...

Constant Temp/Humidity Storage Cabinet ...

The constant temperature and humidity cabinet/storage chamber is used for storage and classification management of precision ...

Constant Temperature and Constant Humidity Dry Film Storage Cabinet

10.The top of the heat: for dust, heat, built-in core device module;11.the cabinet wall: set condenser evenly, to ensure uniform temperature inside the cabinet. Refrigerant: R134 ...

Constant Temp/Humidity Storage Cabinet Storage Chamber for IC/ Drag Factory

The constant temperature and humidity cabinet/ storage chamber is used for storage and classification management of precision accessories, electronic devices, integrated circuit boards, ...

Cabinet Type Constant Temperature and Humidity Machine

The SIMN XHH Series represents the pinnacle of precision environmental control technology, combining advanced temperature regulation with intelligent humidity management in a compact cabinet design. ...

Energy saving constant humidity storage cabinet

Energy saving constant humidity storage cabinet, using fiber humidity regulator and constant humidity control module linkage for humidity control, high airtightness, working in the constant humidity mode ...

Application scenarios of energy storage battery products

Constant Temperature and Humidity

Cabinets , Electrical Tool Storage

JINPOWER offers constant climate cabinets for storing electrical tools under controlled temperature and humidity. Ideal for insulating equipment, with digital monitoring and customizable layout.

Constant Temperature and Constant

...

10.The top of the heat: for dust, heat, built-in core device module;11.the cabinet wall: set condenser evenly, to ensure uniform ...

Constant temperature and humidity storage cabinet GNC80HS

Constant temperature and humidity cabinets are widely used in products that need to be stored under specific temperature and humidity conditions, such as: semiconductors, chips, optical instruments, ...

Constant Temperature Humidity Cabinets

Shop high-quality constant temperature humidity cabinets for reliable storage. Perfect for electronics, cigars, and lab specimens. Precision and control.

Constant Climate Cabinet , Environmental

Test Chambers

Our Constant Climate Cabinet (Desk-top Temperature & Humidity Chamber), which supports temperature and humidity tests in laboratories and research rooms using a network.
