## Overview

---

These panels are known for their high efficiency, typically ranging from 20% to 22%. This high efficiency means that GCL panels require less space to build a powerful installation and can perform better in low-light conditions. GCL offers not-so-bad warranties for its solar panels. GCL solar panels have a product warranty of 12 years and a linear. Bloomberg's infamous tier 1 ranking is NOT a measure of Solar Panel quality in any way. It is simply an indication of the bankability of the manufacturer based on publicly released information on the financial health of the company.
