

# High-efficiency budget scheme for photovoltaic integrated energy storage cabinet

## Overview

---

The Cabinet, chaired by Prime Minister Shri Narendra Modi, has approved the Ministry of New & Renewable Energy's proposal for implementation of the Production Linked Incentive (PLI) Scheme 'National Programme on High Efficiency Solar PV (Photo Voltic) Modules' for achieving. The Cabinet, chaired by Prime Minister Shri Narendra Modi, has approved the Ministry of New & Renewable Energy's proposal for implementation of the Production Linked Incentive (PLI) Scheme 'National Programme on High Efficiency Solar PV (Photo Voltic) Modules' for achieving. Ministry of New and Renewable Energy, Government of India is implementing the Production Linked Incentive (PLI) Scheme for National Programme on High Efficiency Solar PV Modules, for achieving manufacturing capacity of Giga Watt (GW) scale in High Efficiency Solar PV modules with outlay of Rs. India's Union Budget 2026-27 extends basic customs duty (BCD) exemptions on the import of capital goods used for lithium-ion cell production for battery energy storage systems (BESS), as well as capital goods required for processing critical minerals. 19,500 crore for. The Union Cabinet has approved a Rs. 19,500 crore Production Linked Incentive (PLI) to encourage the manufacture of indigenous solar cell modules. The Sustainable and Holistic Integration of Energy Storage and Solar PV (SHINES) program develops and demonstrates integrated photovoltaic (PV) and energy storage solutions that are scalable, secure, reliable, and cost-effective.

## High-efficiency budget scheme for photovoltaic integrated energy storage

### Press Release: Press Information Bureau

The national programme on High Efficiency Solar PV Modules aims to build an ecosystem for manufacturing of high efficiency solar PV modules in India, and thus reduce import ...

### PLI Scheme on High Efficiency Solar PV Modules

This scheme was implemented by the government in order to lessen India's reliance on China and other foreign countries. It promotes labor-intensive industries and strives to enhance India's employment ratio.

### India's Union Budget 2026-27 removes

India's Union Budget 2026-27 extends basic customs duty (BCD) exemptions on the import of capital goods used for lithium-ion cell production for battery energy storage systems ...

### [Production Linked Incentive \(PLI\) Scheme: National Programme on ...](#)

The scheme aims to build an ecosystem for manufacturing of high efficiency solar PV modules in India and thus reduce import dependence in the area of Renewable Energy.

### [PLI Scheme for High Efficiency Solar PV Modules , NSW](#)

Explore the PLI scheme offering incentives to boost manufacturing in key sectors, drive innovation, and enhance India's global competitiveness.

### **Press Release:Press Information Bureau**

The Government has launched Production Linked Incentive (PLI) Scheme for High Efficiency Solar PV Modules, for achieving manufacturing capacity of Giga Watt (GW) scale in High ...

### [in High Efficiency Solar PV Modules Efficiency Solar PV Modules' ...](#)

Cabinet approves Production Linked Incentive Scheme on 'National programme on High Efficiency Solar PV Modules' for achieving manufacturing capacity of Giga Watt (GW) scale in High Efficiency Solar ...

### **Press Release:Press Information**

## Bureau

Manufacturers will be rewarded for higher efficiencies of solar PV modules and also for sourcing their material from the domestic market. Thus, the PLI amount will increase with increased

...

## [Cabinet approves Production Linked Incentive scheme 'National ...](#)

The National Programme on High Efficiency Solar PV Modules will reduce import dependence in a strategic sector like electricity. It will also support the Atmanirbhar Bharat initiative.

## [Sustainable and Holistic Integration of Energy Storage and Solar PV](#)

The Sustainable and Holistic Integration of Energy Storage and Solar PV (SHINES) program develops and demonstrates integrated photovoltaic (PV) and energy storage solutions that ...
