

Investment in Dutch vanadium battery energy storage project

Overview

TINC, the infrastructure investor listed on Euronext Brussels, announces a € 61 million investment in Project Mufasa, one of the largest battery energy storage systems (BESS) in the EU. The project is realised in the North Sea Port Vlissingen, a key hub for renewable energy in the Netherlands. Amstelveen, 2 June 2025 - GIGA Storage, the leading Dutch and Belgian battery storage developer, in which InfraVia invested in 2024*, announces it has reached financial close and started the construction of the "GIGA Leopard" project, a 300MW - 1,2GWh Battery Energy Storage System (BESS). Set to become operational in H1. Battery energy storage system (BESS) project developer Lion Storage is planning a 364MW/1,457MWh project in the Netherlands for operation in two years' time. We highlight the economic opportunities.
