

Key capture energy texas

Overview

US battery storage developer Key Capture Energy (KCE) has begun commercial operations for two 100MW battery energy storage system (BESS) projects in Texas. Announced 7 January, the projects are located in Denton and Grimes counties. Photo: Business. COMFORT — Company officials representing a battery-storage center that met fierce opposition from residents and lawmakers announced they are canceling plans to build on Flat Rock Creek Road. Ellen Troxclair, R-Lakeway, whose District 19 includes Comfort, hailed the decision as a victory.
