

Male energy storage solar energy storage cabinet lithium battery factory manufacturer

Overview

We are a professional solar battery manufacturer in China, focusing on LiFePO₄ energy storage products. At CooliBattery, we specialize in manufacturing and supplying high-performance LiFePO₄ home energy storage systems designed for solar applications, off-grid living, and residential backup. Our core products include wall-mounted batteries, rack-mounted lithium storage, and Energy Storage Cabinet. Since 2010, 15 Years experience Professional factory with 3 buildings for production UN38. The BMS system is developed by our own Engineers Team, Can matching more than 20 brands of inverters, Compared with most of other suppliers, we only focus on making good products with. The LZY solar battery storage cabinet is a tailor-made energy storage device for storing electricity generated through solar systems. They assure perfect energy management to continue power supply without interruption. A proven choice for industrial backup across multiple systems. For peak shaving, time-of-use optimization and critical load backup.
