DIY Solar Power with Will Prowse

Want to build an awesome off-grid solar power system? My videos will teach you everything you need, no experience necessary :)

My World Galaxy Solar Power Generation

Solar photovoltaic (PV) power generation is the process of converting energy from the sun into electricity using solar panels. Solar panels, also called PV panels, are combined into arrays in a PV system.

Solutions

Energy source: 15kw solar energy storage system.

About Us

Through collaborations with higher education institutions and renowned domestic companies, Galaxy Solar Energy is dedicated to research and development in battery energy, power supply systems, ...

Products

Galaxy Hybrid Solar Inverter SG04LP3 Series
Galaxy Hybrid Solar Inverter SG05LP1-EU Series
Galaxy Solar Inverter 5KW-6KW Galaxy Solar
Panels 450-470 Watt Galaxy Solar Panels 540-560
Watt ...

My Generation Energy

Since 2008, the company has helped clients reduce energy costs and embrace sustainability through expertly managed solar projects. From site evaluation and permitting to installation and system ...
