

Nepal pack battery factory

Overview

Discover our complete range of tubular batteries for E-rickshaws, inverters, and automotive use – built in Nepal for unmatched performance, durability, and value. Long-lasting tubular technology for higher mileage, faster charging, and reduced downtime designed for Nepal's. Established in 2012, Asian Batteries is a trusted name in modern power solutions. Headquartered in Kathmandu, we combine global knowledge from Korea, China, Japan, and India with state-of-the-art facilities to develop high-performance batteries for industrial, commercial, and residential use. Swastik Power Technologies Pvt. We deliver durable, high-performance. Today, the Nepalese battery market relies on a mix of local assemblers and trusted international manufacturers, especially from India, known for export-quality and durability. Global Solutions Ltd was created for a simple reason: Too many low-carbon ideas stay stuck in labs and pilots. Giga Nepal is your trusted partner for building custom battery packs tailored to your specific needs.
