

New Energy Storage Project Consultation Meeting

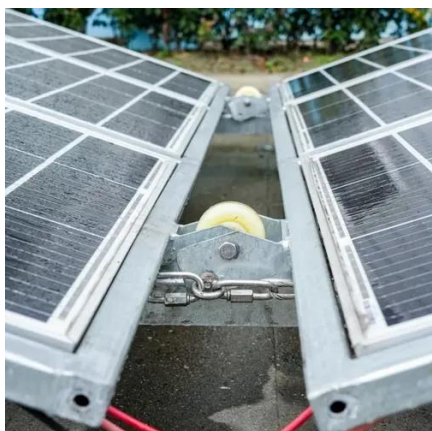

Overview

The consultation will run from February 26 through April 11, 2025. The proposed methodology quantifies greenhouse gas (GHG) emission reductions from the operation of grid-connected energy storage systems to prioritize greater emission reductions over maximizing net revenues. The CEC has announced a public meeting for a proposed battery storage project that is seeking approval through the Opt-In Certification program. The five new towns — Jiading, Qingpu, Songjiang, Fengxian, and Nanhui — encircle Shanghai's urban center from the northwest to the southeast. The document, titled "Several.

New Energy Storage Project Consultation Meeting

[Consultation: Methodology for Grid-Connected Energy Storage Systems](#)
