

# Nujiang photovoltaic bracket order

## Overview

---

[TrinaSolar, Guoqiang Xingsheng, TBEA, and Others Win CGN's 10GW Fixed Bracket Procurement Order] On February 19, the winning bid results for the 2025 PV bracket equipment framework centralised procurement by CGN New Energy were announced. Here's where Nujiang-based photovoltaic bracket manufacturers are rewriting the rules through factory-direct sales models. Ever wondered why some solar farms exceed construction budgets before even connecting panels?

Let's break down the legacy supply chain: Wait, no - it's not just about cheaper. Our Photovoltaic Bracket offers exceptional quality within the Solar Brackets category. The winning companies include TrinaSolar Co. Think of it like ordering a customized pizza - the base price depends on your choice of crust (material), toppings (design complexity). Photovoltaic brackets are supports used in photovoltaic systems to tilt and fix the solar panels in a desired position so as to enable optimum solar energy collection and absorption. BEBON sells photovoltaic mounting products worldwide, providing customers with solutions, customized.
