

Photovoltaic panel universal conversion head

Overview

This single solar panel universal mount fits any solar panel and can be mounted almost anywhere. Check each product page for other buying options. Connect multiple panels, extend your reach, and power a variety of devices with ease. Our replacement solar panel brush heads are crafted with great soft bristles, providing thorough coverage even in difficult corners. They allow for quick installation, replacement, and maintenance of photovoltaic (PV) panels. Packaging should be the same as what is found in a retail store, unless the item is handmade or was packaged by the manufacturer in non-retail packaging, such as an unprinted box or plastic bag.
