

# Solar support recommendation evaluation report

## Overview

---

This IR clarifies the requirements for structural support of solar systems, anchorage of solar systems, solar support frame systems, balance-of-system (BOS) equipment, and building-integrated photovoltaic (BIPV) roofing systems. ICC-ES Evaluation Reports are not to be construed as representing aesthetics or any other attributes not specifically addressed, nor are they to be construed as an endorsement of the subject of the report or a recommendation for its use. There is no warranty by ICC Evaluation Service, LLC, express. In 2018, the California Public Utilities Commission (CPUC) created the Disadvantaged Communities - Single-Family Affordable Solar Homes (DAC-SASH) through the passing of Decision 18-06-027, in response to California's Assembly Bill (AB) 327 (Perea, 2013) to develop specific alternatives designed to. Let our team of professional solar experts assess your system with an onsite inspection. We'll evaluate your system's workmanship, design, engineering and more. We provide you with a written report of our findings including observations, suggestions, and comments, and make upgrade and/or. This report was prepared by The Cadmus Group, Inc., over the course of performing work contracted for and sponsored by the New York State Energy Research and Development Authority (hereafter NYSERDA).

## Solar support recommendation evaluation report

---

### Conducting Site and Economic Renewable Energy ...

Below are a sample of tools and resources to help you evaluate solar project feasibility and economics that may influence your project development.

### Final Report

Throughout our evaluation, we identified two main barriers to program participation: finding eligible households with solar-ready homes and covering the gap in financing for projects.

### [An Assessment of Evaluation Practices of Low-And Moderate-Income ...](#)

An Assessment of Evaluation Practices of Low- and Moderate-Income Solar Programs Prepared for the Solar Energy Technologies Office U.S. Department of Energy Authors Bentham Paulos, Sydney ...

### NYSERDA RPS CST Evaluation Report

This report was prepared by The Cadmus Group, Inc., over the course of performing work contracted for and sponsored by the New York State Energy Research and Development ...

## [Final Site Assessment Report For PV System Installation Template](#)

The document is a site assessment form for a potential PV system installation that collects information about the client's electricity usage and property, including the roof orientation and material, available ...

## How to write a solar energy evaluation , NenPower

The final stage of the evaluation process involves synthesizing findings into a coherent and comprehensive report. This document becomes a reference point for stakeholders, detailing the ...

## Solar Evaluation Reports

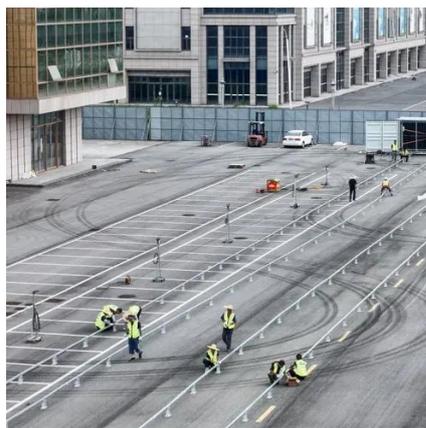

We provide you with a written report of our findings including observations, suggestions, and comments, and make upgrade and/or additional product recommendations if applicable. Ensure your ...

## [Solar Photovoltaic: SPECIFICATION.](#)

## CHECKLIST AND GUIDE

To assist in evaluating each home, EPA has developed an online Renewable Energy Ready Home Solar Site Assessment Tool (RERH SSAT), which compares the solar resource potential of a proposed ...

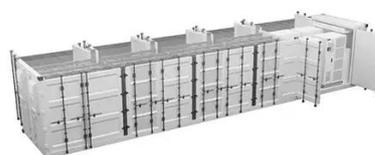

## **ICC-ES Evaluation Report**

The purpose of this evaluation report supplement is to indicate that the Solar Strap Attachment System, described in ICC-ES evaluation report ESR-3839, has also been evaluated for compliance with the ...

## IR 16-8: Solar Photovoltaic and Thermal Systems Review and

This IR clarifies the requirements for structural support of solar systems, anchorage of solar systems, solar support frame systems, balance-of-system (BOS) equipment, and building-integrated ...
