

Southeast Asia Communication Power Supply Rack

Overview

DongAh Elecomm provides standard, semi-custom and custom AC-DC telecom power supplies for a wide range of applications and requirements. We supplies power quality products, power distribution and power management solutions for all business & industrial critical applications. Rack PDU 2G, APC Switched Rack Power Distribution Units (PDUs) enable advanced, user-customizable power control and active monitoring. The ABP2 Series are piezoresistive silicon pressure sensors offering a digital or analog output for reading pressure over the specified full scale pressure span and. Our rack mount power supplies deliver reliable, programmable DC power in a compact form factor that fits directly into standard 19" racks—making them ideal for ATE systems, production lines, and high-density test environments.
