## Xu Bin Immersed Energy Storage Battery Box

### WO/2024/234688 IMMERSION LIQUID-COOLING ENERGY ...

The immersion liquid-cooling energy storage system provided in the present application can improve the temperature uniformity of a battery.

### Immersed energy storage battery plug box

The application provides an immersed energy storage battery subrack, specific radiating efficiency is high, the security is good and the advantage that cooling uniformity is good.

### Immersed Energy Storage Battery Systems: The Future of Safe and

Enter immersed energy storage battery systems - the tech world's answer to keeping power cells chill without breaking a sweat. By 2025, over 60% of new industrial energy projects in ...

### CN116315288A

The invention relates to the technical field of energy storage batteries, in particular to an immersed energy storage battery box and a battery cabinet thereof.

### **CN218939940U**

The utility model provides a battery plug box integrated with an immersed fire-fighting structure and an energy storage power station, and belongs to the technical field of new energy

### **CN119153819A**

The present invention relates to the field of battery management technologies, and in particular, to an immersion energy storage battery box, a monitoring method thereof, an electronic

### **Immersed liquid cooling energy storage battery box**

The invention provides an immersed liquid cooling energy storage battery box which comprises a battery box shell, a battery module, a fluid director, a heat exchange coil pipe, a flow isolating support, a ...

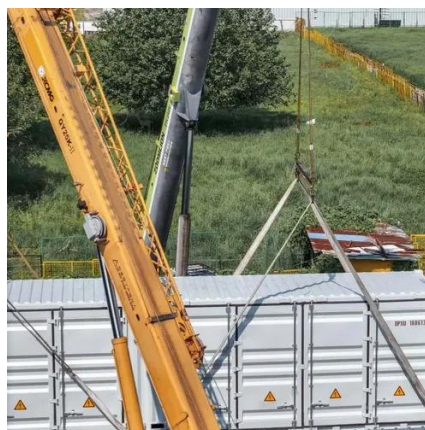

### [119253138 Immersed battery pack and](#)

## energy storage cabinet

The supporting piece for the inflow of the immersion liquid does not occupy the internal space of the battery pack, so that the manufacturing cost of the battery pack is reduced, the temperature ...

### **CN118676484A**

The present invention discloses an immersion-type liquid-cooled energy storage battery plug-in box, which relates to the technical field of energy storage batteries and comprises a

### **CN220021359U**

The utility model relates to the technical field of battery packs, in particular to an immersed cooling battery pack. The utility model also relates to an energy storage device
